

Christine Jonson Patterns Spring/Summer 2009 In Studio Swatch Collection

Christine Jonson's "In Studio" Fabric Collection consists of excellent quality LYCRA blend knit fabrics. We are so happy to offer to you, the home sewer, the type of knit fabrics that you see in ready-to-wear garments and can't find on the home sewing market. The fabrics are chosen based on quality, consistent stretch and recovery, and compatibility with Christine Jonson pattern designs. These are fabrics you can depend on.

We hope you fall in love with our patterns and fabrics and find them as irresistible as we do!

As always, many of these fabrics are in limited quantities so don't wait to order, do it today. Fabrics are priced per 1/2 yard units. So, if you need 1 yard of fabric order 2 units. Need help deciding which fabrics to order? Call or email Christine at 248-547-1080 or Christine@cjpatterns.com for help.

Tip: Use a sticky dot and number each sample so you can separate the swatches and mix and match them.

Happy Sewing!
